## VOLUNTEERS NEEDED!

Due to the Coronavirus Pandemic, there has been a surge of popularity in the game of golf. Golf Courses have never been busier and the same is true for our programming. Our chapter is receiving request daily for more experiences and opportunities.

Even though this is great news for our organization, it is impossible without the help of our volunteers. Due to this rise in demand, our need for more coaches has never been more important. If you want to help make a difference in the life of a child within your community, please contact Ellen Lapierre at [ellen@thefirstteetriad.org](mailto:ellen@thefirstteetriad.org).

## SUMMER SESSION SPOTLIGHT

Following safety guidelines, such as social distancing, the sanitizing of clubs/facilities, and wearing gloves/masks when needed, our chapter was able to conduct over 20 summer camps, clinics, and tournaments for our participants. As we look forward to the Fall, we can't wait to continue programming and want to have you join us this season!!!

## THANK YOU INTERNS!

Thank you to our phenomenal intern team (Eli Gauldin, Grant Atkinson, Josh Garner, Kate Calhoun, Kennedy Barber, and Ryan Lapierre) for all of their help this summer. With the assistance of our interns, The First Tee of the Triad was able to host over 20 camps, clinics, and tournaments, as well as work with approximately 300 children. We appreciate all of your dedication and hard work.
