First Tee - Central Carolina is a youth development organization that enables kids to build the strength of character that empowers them through a lifetime of new challenges. We are active throughout the Triad region, and specifically focused on serving the East Greensboro and East Winston-Salem communities around Gillespie and Winston Lake golf courses.

### **Internship Overview**

Each summer, we invite interns from across the country to experience First Tee through our local chapter's programs. Interns are exposed to a variety of elements of a nonprofit organization, including but not limited to, program organization and delivery, marketing, fundraising, and professional development. In addition to their work for the chapter, interns are provided with access to world-class playing and practice privileges so they can continue develop games while gaining valuable work experience. Interns will come face-to-face with PGA TOUR professionals, learn the ins and outs of running a major sporting event and get to network with national and local leaders.
