## **Honoring Harold & Jeff Dunovant**

*Winston Lake's "First Pro" and the only black Father-Son PGA of America Members*

Dear Friends,

We couldn't be more excited to announce and invite you to a new event celebrating the legacy of Winston Lake Golf Course and the heroes that have made it special.

On Thursday, May 1st at 5:30 PM, Mayor Pro Tempore, Denise D. Adams and First Tee - Central Carolina are teaming up to host the first ever, "Evening at The Lake". This event will bring together Winston Salem's incredible golf community to remember Winston Lake's history, and honor the people who made it special.

2025 Honorees: **Harold Dunovant** (Winston Lake's "First Pro" - 1929 to 2002) and **Jeffrey Dunovant** (son and head pro at the John A. White GC in Atlanta, Georgia). Jeff Dunovant will be on hand to share stories about his father and greet the Winston Lake golf community.

- Evening at the Lake will feature great music, hors d'oeuvres, top shelf drinks, putting games, a 50/50 charity raffle, cigar bar, Winston Lake photo gallery, golf fashion show and more!
- The event is free to attend. Show us what you got and wear your hottest golf attire! Prizes for best dressed will be given.
- A special presentation of planned course upgrades and tours of recent renovations will also be taking place during the event.

Sponsorship opportunities are available and we ask your family, organization or company to consider supporting this special event. All proceeds from an "Evening at the Lake" will support First Tee program scholarships at Winston Lake. First Tee programs use golf to make personal values and life-changing opportunities accessible to local youth.

For a complete list of sponsorship opportunities, please see the following page. We're expecting over 150 people to attend this special event and we want you there!

Please reach out if you have any questions!

Sincerely,

**Denise D. Adams**, Mayor Pro Tempore and First Tee - Central Carolina Board Member

**Ryan Wilson**, CEO & Executive Director, First Tee - Central Carolina
