First Tee – Central Carolina

First Tee is a youth development organization that enables kids to build the strength of character that empowers them through a lifetime of new challenges.

By seamlessly integrating golf with a life skills curriculum, we create active learning experiences that build inner strength, self-confidence, and resilience that kids can carry to everything they do.

About First Tee

The First Tee – Central Carolina chapter was founded in 2007 and serves as a branch of the national First Tee program with its own 501(c)(3) status and independent board of directors.

First Tee – Central Carolina raises a majority of its financial support through generous support from local individuals and businesses.

First Tee – Central Carolina has offices and learning centers in Greensboro at Gillespie Golf Course and in Winston-Salem at Winston Lake Golf Course.

We serve over 600 Triad participants annually through our programs including life and golf skills classes, summer camps, school golf teams, internships, and after-school tutoring.
